1 **A Bill to Create a Student Outreach Committee**

2 Whereas: Members of the House of Student Representatives have agreed that while
3 our current model of representation is sound, SGA needs to market itself
4 better to receive diverse input and ensure that all students have an
5 opportunity to interact with SGA, and

6 Whereas: This year various initiatives have been implemented to reach out to the
7 student body and receive feedback on various topics, and

8 Whereas: These initiatives are currently run by various committees and Student
9 Body Officers and lack a central unifying force, and

10 Whereas: Historically, most SGA work has been accomplished through committees
11 as they provide a balance of resources and accountability to see projects to
12 completion, and

13 Whereas: Formalizing the central purposes behind these outreach initiatives allows
14 SGA to focus on the important issue of representation without adding to
15 the workload of other committees or Student Body Officers, and

16 Whereas: Furthermore, it sends a clear message about the importance of such
17 outreach and makes House the driving force behind student outreach,
18 therefore

19 Let it be enacted by the House of Student Representatives at Texas Christian University:

20 (1) Title 2, Chapter 5, section 501 of the Student Body Code shall read:

21 **§501 List of Committees.**

22 The Standing Legislative Committees of the House shall be: Academic
23 Affairs Committee, Dining Services Committee, Elections and
24 Regulations Committee, Finance Committee, Student Experience
25 Committee, and Student Outreach Committee.

26 (2) Title 2, Chapter 5, section 510 of the Student Body Code shall read:
